Mr Chapman

Sir -

Your letter was received - The blue plate I wrote you about is a Winter View of Pittsfield Mass. Blue-Guaranteed Staffordshire - 10 in. - The coloring is said to be very fine - Of course I want all it is worth, In the Gilbert collection one sold for 23 dollars and while I cannot hope to get as much as that I would like to get

as near it as possible -
How much will you give me
for it? I have also a
small pitcher of Royal
Luna Cotta Porcelain which
I would like to sell - but
I do not know its value -

Yours -
